Absolute Real Estate

To whom it may concern

Re: insurance requirements, terms & conditions as a contractor of Absolute Real Estate NT

We hereby acknowledge that I / we _____

Of (address) _____

Am / are not covered in the event that I / we sustain an injury or loss whilst working as a sub contractor with / for Denroy (NT) Pty Ltd trading as Absolute Real Estate NT for any loss at all under Absolute's insurance policies.

i/we further understand and have been advised that we are to have our own appropriate insurance policies to cover any such losses. We have been further encouraged to have an Income Protection policy to protect our loss of income in the event of an injury sustained whilst working with / for Denroy (NT) Pty Ltd trading as Absolute Real Estate NT.

It has also been explained to us that it is a requirement that we have a current public/products liability insurance policy with a minimum of \$20,000,000 indemnity limit. This is essential as we are not covered by Denroy (NT) Pty Ltd trading as Absolute Real Estate NT's public Liability policy for such losses.

We acknowledge that the responsibility of taking an insurance policy/policies is entirely ours, and this has been made clear to us by Denroy (NT) Pty Ltd trading as Absolute Real Estate NT. We further accept the fact that in the event of any injury we sustain to ourselves, or damage or injury we cause to a third party, property, or third parties that we will not seek recovery of any such losses against V; where such an incident or injury would have been covered by an insurance policy that we as a sub contractor should have taken.

Absolute Real Estate NT has explained we are not permitted to enter a property unless the tenant or Denroy (NT) Pty Ltd trading as Absolute Real Estate NT have given us the authority to do so.

We agree to advise Absolute Real Estate NT, before attending, if we charge a quote fee.

We agree all quotes are to include gst

We agree to advise Absolute Real Estate NT if we cannot attend within 48 hours and we agree to provide an invoice in a timely manner after work has been completed.

i/we hereby accept and fully understand the above terms and conditions.
